Michelle:

Could you take a first cut at reviewing and revising the RTOC minutes for the part of the meeting I attended. There are some summary statements that don't reflect my full statements. For instance, the sentence on funding says we have made it a high priority to preserve tribal funding but my full statement was that we have been able to protect tribal funding in the last several budgets but now the budget has gotten tighter with sequestration and there are across the board cuts. There are several summarized statements that need a bit of elaboration. Thanks.

**Subject:** Please review May RTOC Meeting minutes

All documents referenced at our meetings will now be posted online with our meeting minutes, with active links within the minutes themselves. Also, although we did not get a chance to hear from WWA and Idaho RTOC due to illnesses, Destiny and Gabe can still provide a quarterly update in bullet fashion. I will add them to the website and reference them in the minutes with a link.

Please review minutes and send edits to me via email – as always, please indicate with a text color change or other means to enable easy identification of changes made.

Our next conference call is June 18 at 1:00 pm Pacific. Enjoy your weekend! Randi
